**PPB Energy Partners and Parx Casino announce agreement to operate
Central Utility Plant**

Mays Landing, NJ – PPB Energy Partners LLC today announced a long-term agreement with Parx Casino to own and operate the Central Utility Plant, located in Bensalem, Pa. Under the 15-year agreement, the Central Utility Plant will provide hot and chilled water for heating and cooling and emergency power generation to the casino.

PPB Energy Partners is owned and operated by Energenic, a partnership between long-term business partners Marina Energy and DCO Energy. Energenic also operates the Marina Thermal Facility which provides heating, cooling and emergency power to the Borgata Hotel Casino & Spa in Atlantic City, N.J.

“The development of this facility underscores Energenic’s commitment to identifying essential, energy efficient solutions that meet the emerging needs of our changing energy landscape,” Energenic President, Frank DiCola, said. “We look forward to fostering a long-term relationship with Parx Casino and foresee this relationship expanding and evolving as we research and develop new energy projects for the Parx facility.”

The Central Utility Plant is expected to be operational sometime this month.

“The new state-of-the-art Parx Casino is extremely energy efficient,” Parx Casino Vice President of Marketing, Darlene Monzo, said. “By subcontracting Energenic to operate the Central Utility Plant, we are able to focus on our core business and customer service with the confidence that our energy goals are being met.”
